		Glass only packed individually 6 to case.			
		No. 501 packed individually 6 to case.			

The "CAVALIER" has a spread of 10½" and the globe has a 4" fitter.
The 501 bowl has a spread of 9".

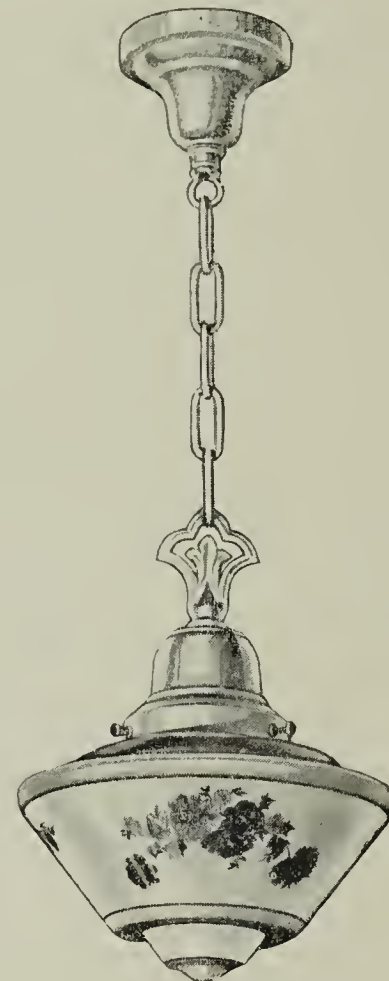

The "CAVALIER" is another rare achievement in decorative lighting of which we are proud. Not lighted, the prismatic rings have a soft frosted effect but when the artificial light is turned on it picks up and is all-aglow with the predominating color of the globe.
The decorations are a masterpiece and can be appreciated only by seeing them and getting the effects yourself.
